

DIVISION OF CONSERVATION SERVICES

Dedicated to helping communities, nonprofits and private landowners protect open space and provide quality outdoor recreation experiences across the Commonwealth by providing access to financial support, planning tools and technical assistance.

Summer Internship Opportunities:

Grants and Open Space Plans Intern – Will help organize our files and the 180 open space plans; help organize meetings with the 180 cities and towns that do not have open space plans to analyze what help they need to get them done.

Conservation Restrictions and Article 97 Legislation - Will update files on the thousands of CR's we have and also expand our databases to cull more information from the files on the types of CR's, values protected, etc. Will need to create a database of the legislation that has been reviewed by our office over the past year and how our "No Net Loss" policy has worked.

Salary:

Unpaid

Schedule:

Full time preferred

Dates of Service:

Summer – June 2008 until September 2008
